Java SE Runtime Environment 8 Downloads

Do you want to run Java^{TM} programs, or do you want to develop Java programs? If you want to run Java programs, but not develop them, download the Java Runtime Environment, or JRE^{TM}.

If you want to develop applications for Java, download the Java Development Kit, or JDK^{TM}. The JDK includes the JRE, so you do not have to download both separately.

JRE MD5 Checksum

Java SE Runtime Environment 8u5		
You must accept the **Oracle Binary Code License Agreement for Java SE** to download this software.
